

Webinar on ‘GIS Technology & Career Opportunities’

Event Date: 21-07-2021

A Brief Report

“GIS Technology & Career Opportunities” was one of the webinar conducted by the Department of Geogrphahy during the first phase of Covid pandemic. The outcome of webinar is based on that theme by the initiative of Faculty Members of the department. An introductory lecture was delivered by the Dr. Niranjn Bhattacharjee, HoD, Department of geography and convener of the webinar. The speaker of the webinar was Prof. Dhruvajyoti Sahariah, Department of Geography, GU and Mr. Ravindra Nath Tiwari, HOD Geoinformatics, NIGMT Foundation, Dwarka New Delhi. The speaker Mr. Ravindra Nath Tiwari, delivered the key note address and Prof. Dhruvajyoti Sahariah gave an elaborate lecture on the said topic. There was great interaction between the participants and the speaker which make the webinar as grand success. As the topic was mainly related to the undergraduate syllabus it was highly appreciated by the student participants. At the end of the webinar, vote of thanks was delivered by Miss Rebecca Kramsapi after the lecture and interactive session.

The poster features the NIGMT Foundation logo at the top left and the Pandu College logo at the top right. The central text reads 'Webinar on GIS Technology & Career Opportunities'. Below this, it states 'Organized By Geography Department Pandu College, Guwahati, Assam'. It also mentions 'In Collaboration with NIGMT Foundation, New Delhi'. The date is 'Date - 21st July, 2021' and the time is 'Time - 11:00 AM'. A circular image on the left shows a hand using a laptop with a globe in the background. At the bottom, there are five circular portraits of the participants with their names and titles: Patron (Dr. Jogesh Kakati), Chief Guest (Prof. Dhruvajyoti Sahariah), Keynote Speaker (Mr. Ravindra Nath Tiwari), Program Incharge (Rebecca Kramsapi), and Convener (Dr. Niranjn Bhattacharjee). Contact information is provided at the bottom: www.nigmt.org, info@nigmt.org, and +91-8585991286.
