Workshop Report on Multimedia, Animation & VFX

The Department of Computer Science & Application, Pandu College, Guwahati, in association with **Maya Academy of Advanced Cinematics (MAAC), Lachit Nagar, Guwahati**, successfully organized a **Workshop on Multimedia, Animation & VFX** on **11th April 2025**. The event was held at the Digital Classroom (Science Block) of Pandu College, commencing at 11:00 AM onwards.

The workshop aimed to provide students with hands-on exposure to the fields of multimedia, animation, and visual effects (VFX), emphasizing their growing importance in industries such as entertainment, gaming, and digital content creation. Experts from MAAC conducted interactive sessions, showcasing industry-standard tools, software, and creative workflows used in professional multimedia and animation production.

Students were introduced to various animation techniques, VFX processes, and multimedia applications. The workshop also highlighted career opportunities in these fields, inspiring participants to explore creative technology-based careers.

Faculty members and students from the Department of Computer Science & Application attended the event enthusiastically, making it a highly engaging and informative experience. The Department expressed its gratitude to MAAC for their support and expertise, and to all faculty members and students for their active participation, making the workshop a grand success.
