

NOTICE

27-04-2026

Department of Biotechnology is going to observe '**World DNA Day**' on **2nd of May, 2026** commemorating the 73rd anniversary of the publication of '*Molecular Structure of Nucleic Acids: A Structure for Deoxyribose Nucleic Acid*' by J. D. Watson & F. H. C. Crick. The celebration will comprise talks by students and discussions relating to the theme of celebration. All the students are hereby informed to actively participate in the same to make the program a fruitful one.

Venue: Departmental premise (Bioinformatics Lab)

Time: 11:00 AM onwards

Head, Department of Biotechnology
